

Funky Architecture for Beginners

Room: 1-273

Time: Sat 10:05am--11:55am

Teachers: Mingpei Li and Natalie Tan

Expectations

1. Listen in class and be respectful.
2. Have fun (I hope...)!

Goals

1. Look at silly designs that have been built...like our own Stata Center!
2. Learn how architects design and draw buildings.
3. Design your own building~

Lesson Plan and Timings (vaguely):

10:05 AM: Class start

10:05-10:30 AM: Ice breakers and introduction!

10:30-11:00 AM: Short lecture~

11:00-11:15 AM: Demonstration & Guided activities

11:15-11:45 AM: Free drawing & designing!

11:45-11:55 AM: Wrap-up, sharing (if you so wish), clean-up!

Materials provided:

Grid paper, rulers, pencils, erasers
