# How to Start Something

Clubs: research, office, school board, mission statement, advisor, announcement

Nonprofit: research, organization (library, community center), 501(c)(3) certification, laws

- [www.councilofnonprofits.org](http://www.councilofnonprofits.org)

Personal: research, proposal, ask teachers/professors/random people

Company: business plan

# Servant Leadership

“Down with authority!”

Cooperation not superiority

# Frustrating People

Delegation

Don't give orders

Ask what they think is feasible

Explain why you aren't doing it yourself

Say when you will step in

# Effective Communication

Email vs Text vs GroupMe vs Slack

Paper vs online notes: dates of events

RSVP: directly ask people, don't assume everyone reads everything

In person > emails

SURVEYS!

# Organization and Meetings

Always write minutes

Updated, specific officer roles
